

Prevention and Health Promotion: An APTA Community on The Hub

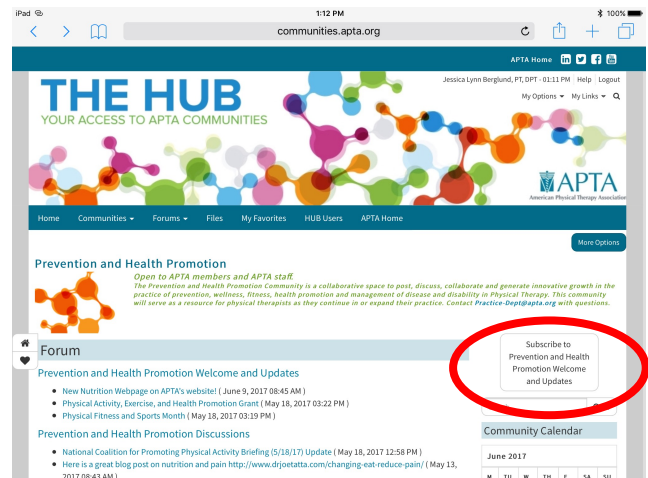

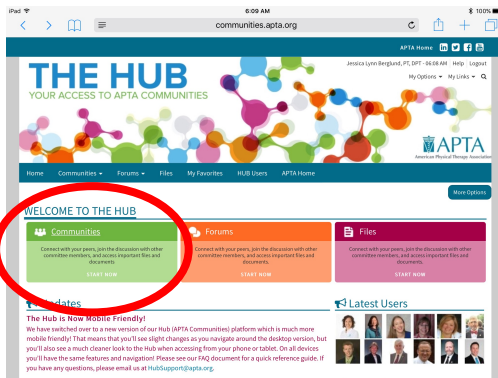

The Prevention and Health Promotion Community is a collaborative space to post, discuss, collaborate and generate innovative growth in the practice of prevention, wellness, fitness, health promotion and management of disease and disability in Physical Therapy. This community will serve as a resource for physical therapists as they continue in or expand their practice in this area. The Prevention and Health Promotion Community is open to all APTA Members and APTA Staff. Contact Practice-Dept@apta.org with questions.

A. Where can I find the Prevention and Health Promotion Community?

1. Log in to your account at www.apta.org
2. Click on APTA Communities at the top of the page

3. Click on the green "Communities" Box, and then locate "Prevention and Health Promotion". Once on the home page, subscribe to the Prevention and Health Promotion Community to stay up to date on the conversation, events and opportunities.

B. What should I use the Prevention and Health Promotion Community for?

1. Start a Thread with a topic you are interested in or add your input to a current Thread.
2. Share a file (journal article, assessment tool, infographic, etc) that has been helpful for you.
3. Connect with other PTs and PTAs who are passionate about practicing prevention and health promotion.
4. Learn about opportunities for PTs and PTAs in the practice area of prevention and health promotion.
